If you don't see the APPLY icon then the application hasn't started yet

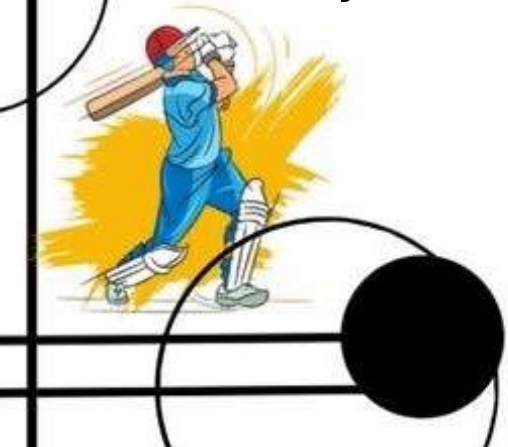

You did not register for the event.

You cannot register for the event yet!

Good to know

- Most of the time you can apply for an event **5** days before the actual event
- You can still apply if the course is full, you will just be put on a waiting list
- Usually so many people cancel the event, that you get taken off the waitlist

If you have any questions, please contact us:
