

INVITATION

Based on the regulation §18 of the “Doctoral Training and Doctoral (PhD) Degree Acquisition Regulations of the University of Miskolc”, I respectfully invite you and your interested colleagues to the scientific workshop discussion (workplace defense) of the PhD thesis of

Antal Nagy, MSc,

within the framework of the István Sályi Doctoral School of Mechanical Engineering Sciences,
entitled

“Inhomogeneity of the Topography of Surfaces Machined with Tools having Defined Edge Geometry”.

Supervisor: Prof. Dr. János Kundrák supervisor, professor emeritus (ME)

reviewers:

Dr. Márton Takács, head of department, associate professor, Budapest University of Technology and Economics

Dr. Viktor Molnár, lead quality specialist, BMW Manufacturing Hungary Kft.

Date of the scientific workshop discussion: **July 10, 2025 (Thursday) 10 a.m.**

The scientific workshop discussion will be held in person in classroom No. 1 of the Institute of Manufacturing Sciences, University of Miskolc, C/1. ground floor.

I would like to inform you that the thesis serving as the basis for the discussion can be accessed at the following link:

Regards,

Dr. Csaba Felhő

director of institute, associate professor
