

3rd International online Conference on Vehicle and Automotive Engineering VAE2020 - ONLINE

25th November 2020

We have the pleasure to invite you to participate in 3rd International **online** Conference on Vehicle and Automotive Engineering (VAE2020) will be held 25th November 2020. The aim of the conference is to bring together the experts from both the academic and industrial areas and to show the development of these fields.

Main branches of topics of the conference:

- A. Conventional Powertrain & Emission
- B. Alternative Powertrains
- C. Vehicle Dynamics
- D. Materials & Manufacturing
- E. Vehicle Electronics
- F. Autonomous vehicles
- G. Noise & Vibration
- H. Active and Passive Safety
- I. Sustainability
- J. Education
- K. Design of Vehicle Structures and Surfaces
- L. Optimization
- M. Welding
- N. Multi linkage structures

Publication of Papers

All papers are peer-reviewed, and the accepted ones will be published in the *Lecture Notes in Mechanical Engineering series*, published by *Springer Verlag*, indexed by Scopus, as was on the previous conferences (<https://www.springer.com/gp/book/9783319756769>, <https://www.springer.com/gp/book/9783319511887>). *The last Proceedings had 142k downloads till now.* The Proceedings will be available to all registered participants electronically at the Conference. Offered papers must be original, have not been published elsewhere. The paper length is minimum 6 pages, maximum 16 pages. With submission please correspond at least 4 suggested reviewers (name, company, e-mail), and one of them must be not Hungarian.

Author should give lecture.

Time schedule

Event	Deadline
Full paper submission	July 10, 2020
Full paper acceptance	Aug 21, 2020
Payment for authors	Aug 21, 2020
Payment without paper	October 30, 2020
Conference	November 25, 2020

The conference language is English. It is an online conference. Participants can join to one selected session.

Conference fee: 150 Euro (including one paper between 6-16 pages).
